Florida Elks Children’s Therapy Services

Mission:

⇒ Provide physical & occupational therapy to Florida children
⇒ 21 therapists provide in-home therapy to 350 children weekly
⇒ For those without easy access and ability to pay
⇒ At no cost to the families

Testimonials from Families of Patients:

“. . . our therapist has been our angel. Thank God for her. She has helped us so much.”

“I would like to thank the Elks for providing this much needed service free of charge!”

“I think the Elks are wonderful. I really express my gratitude with the cost of therapy being so high. I’m truly grateful for everything. Thank you, Elks!”

“Therapy was provided by a highly qualified Therapist in my child’s least restrictive environment. He looked forward to Tuesdays. . . ! . . . our child. . . has so much more confidence in his physical abilities than he had before the onset of services.”

“The Elks organization has the children’s well-being at heart.”
